Subject: Thank You

Pill and David,

Thank you for starting the year off well. By tomorrow we will be well underway in establishing the rest of the SC as the Freshman Class President and HR Reps will be elected. I look forward to working with all of you as we plan out the year during our lock-in.

We will encounter many walls that have to be climbed over this year, and so if I end up yelling at you to climb over those walls a bit faster, it is done out of love. The ultimate reward will be at the end of the school year when we look back and say we did a brilliant job.

On that note, please do not forget to thank the others that make SC possible, often, and starting tomorrow. We can all begin by noticing what a wonderful job Grace and James did on the posters in promoting next Friday's dance. Let them know they did a good job.

Thanks again,
Mr. Cheung
