Dear All,

Wonderful job everyone. We had a long week with Spirit Week, Pudong Rocks, and the Winter Formal. Somehow it all came together with your leadership.

When looking back, it is important to remember why we do what we do. One of our many goals as the student government on campus is to reach out and include as many people in a variety of ways. Finding perfect opportunities to bring the Pudong community together is always a difficult task, but you should be proud of what you've done this past week.

I truly had fun this week working with you. Please keep up the good work. Likewise, extend the gratitude to those homeroom representatives that also worked tirelessly to pull the week together. They deserve to be recognized too.

Mr. Cheung
